

2024 PICTURE WEEK DETAILS

HAIR

Simple! However, you would like. We do not have a required hairstyle for pictures. You can leave it down, pull it into a high bun, curl it, straighten it, braid it, wear the included hairpiece, or don't totally your call.

They are your pictures so you can style your dancer however you would like. A uniform hairstyle will be required for dress rehearsal and recital.

DANCE SHOES

The assigned recital shoe for each class must be worn for pictures. If you are not sure, please ask the class instructor.

MAKEUP

These pictures are yours, so makeup is optional. I would recommend a little lipstick and blush, but it is not mandatory. If you do choose to apply makeup, please have that completed before you arrive on picture day.

TIGHTS + BRA

The new tights included with the costume (inside the costume bag) must be worn for pictures. If a bra is needed, please make sure the straps (shoulder and back) are clear. No visible bra straps please! Order your dance bra here, if needed. We have full inventory of all items on our website and will fulfill your order within 1-2 business days. Then simply pickup at the front desk the next time you're at the studio!

WHEN DO WE GET THE COSTUME?

Costumes are stored at the studio and will be set out for you when you arrive on your picture day. (This is why you will need to arrive at least 20 minutes early, to allow enough time to get dressed) All costumes will be separated by class and hanging in Studio Room C. This studio room along with Studio Room A will be the designated girls dressing rooms.

Studio Room B is where the photographer will be taking the photos. Boys will have their costumes hanging in the lobby and we will mark one or two of our restrooms as the designated boys dressing room. After pictures, all costumes and accessories must be returned to the same rack.

DO NOT TAKE YOUR COSTUME HOME AFTER PICTURES! They will be handed out the week before dress rehearsal.

PICTURE PICKUP

All picture packages will be handed out in class the last week of the season: May 13-16, 2024.

CAN'T MAKE IT?

Only if you are unable to attend your scheduled time with your class, you can sign up for an individual slot on Fri, April 5th.
