[Costume Cost]

Each recreational class will have one costume per dancer. The total costume cost gets split into three payments. The first installment is a \$45 costume deposit (due in September). After that, the remaining balance is split in half ... one half due in December and the other half due in March. Since each costume has a different cost, the exact total is not known until the costume is chosen in October. Recreational costumes typically end up totaling \$100-\$160. Our studio offers full-service costuming. Basically, you do nothing! Each costume cost includes all accessories, hair pieces, tights, steaming (if needed), and any sewing/alterations (if needed).

- Any student who withdrawals from a class **before** November 1, 2019 the costume deposit will be refunded.
- Any student who withdrawals from a class **after** November 1, 2019 will be responsible for the full costume cost.

(we cannot return costumes to our costume vendors, as many of them are made-to-order)

Any student withdrawal must have a written notice sent via email to:
