

CHRISTINE'S DANCE COMPANY  
**2021-2022**  
COMPANY PROGRAM

## *the details*

### **WHY JOIN THE CDC COMPANY PROGRAM?**

Our Company program has a track record of being so successful because of the excellent training we provide, excellent students in each class, and a wide range of opportunities and experiences we are able to provide to each student!

With competitions and recitals, each Company dancer will perform a minimum of NINE times in one season. (this is including the performance of our Show Opener that is exclusive to our Company members). That amount of performance experience alone provides them with skills that will last a lifetime! We are very proud of what we have to offer and hope you decide to join us. We are more excited than ever to make 2022 the BEST yet!

### **WHEN ARE THE COMPETITIONS?**

The dancers will attend 3 competitions in the spring of 2022. These competitions are all driving distance (Minneapolis, Duluth, etc) and are on a weekend. A schedule with the specific weekends will be handed out in October 2021.

## **WHAT ARE THE COMPANY CLASS REQUIREMENTS?**

**2021 SUMMER:** We will require a 6-week training intensive that will consist of ballet, technique, and strength/conditioning classes from July 8-August 18. The dancers will be permitted to miss up to 3 of each class. The week of August 23, each line will have two choreography sessions (2 hours each). See the enclosed Summer schedule for specific dates and times.

**2021-2022, SEASON 14:** Beginning September 13, 2021, each line will be required to take one ballet and one small group class each week. These two classes will be exclusively with the students in their line and run back-to-back on one night.

Outside of these two required classes, dancers are encouraged to add-on other classes such as: Company Tap, Large Group, or any of our recreational classes! At least one add-on class is highly recommended for all veteran Company dancers. Rookie Company dancers are welcome to choose an add-on class, but it is definitely not required.

**SMALL GROUP:** this class will meet once a week for 80 minutes, or 60 minutes for the new petite line (age 6-8). It will consist of technique training, strength training, and one routine for competition. The routine style will be decided by the instructor.

**COMPANY BALLET:** this class is the foundation of success for our Company program! It will meet once a week for 75 minutes, or 60 minutes for Petite's (Age 6-8) and is designed for strengthening purposes only. No routine or costume purchase will be associated with this class.
